WELCOME!!

The Yearbook Crew

We hope you enjoy reminiscing about the year 1999-2000 as you flip through the pages of this yearbook. It was put together with the student body in mind, to provide a visual reminder of a year at Trafalgar Castle School. The school has such a multitude of activities throughout the year that sorting through pictures often takes a lot longer than one would anticipate. The staff of this year's book would like to thank Mrs. Pollitt for ensuring we had a great selection of pictures. Her dedication was greatly appreciated. As for the numerous collages throughout the book, one must thank Janine Innes who took the time to artistically arrange the variety of full page collages throughout the book. She was also willing to take home an "envelope" and complete a "couple more pages" whenever necessary. She was ready and organized to complete any task outstanding. It has been a fun process and we hope you enjoy the memories that this book provides.

PRINCIPAL'S MESSAGE

A REASON FOR CELEBRATION

My remarks for the yearbook are titled "A Reason for Celebration" because I feel that as the year draws to a close it is appropriate for us to celebrate the achievements of Trafalgar Castle School. We have much to celebrate this year and the school's achievements are a result of dedication and commitment on the part of our students.

Our students have accomplished a great deal through the year and I take pleasure in highlighting just a few aspects. Our House Plays in October saw close to two-thirds of the student body involved in a variety of ways, from acting to producing, directing and behind-the-scenes work. Our students' commitment to Drama continued during the May production of the Wizard of Oz where over half of the students in the school were involved in the production. Over forty of our students took to the stage of Roy Thompson Hall earlier this Spring to participate in the ISMF.

Our athletic programme prospered this year as we ran over twenty competitive teams at a variety of age levels, involving the participation of half of the school during any given season. A number of our teams advanced to the semi-final and final stages of competition and a number of individual athletes gave outstanding performances in their sports. In many sports, students from Trafalgar Castle outnumbered students from considerably larger independent schools - a tribute to their commitment to athletics.

Students have been involved in a significant number of community service activities including the Charles H. Best Centre for Diabetes Walk-A-Thon in September, the Student Fellowship Bazaar which raised over \$7000 for Breast Cancer Research, Hats Off for Cancer which collected over 1000 caps for children receiving chemotherapy (one month's supply for the entire Province), food drives for local charitable organizations and numerous individual activities undertaken quietly and privately.

Academically, over one-third of the school achieved Honour Roll status at Christmas and a number of students have placed near the top in a variety of academic competitions, including Awards of Merit in Maths and Physics competitions. I am delighted to report that 97% of this year's OAC graduates have been offered admission to universities of their choice, including the competitive universities in Ontario and Harvard in the U.S. Our Arts Night held in May provided many of us with an opportunity to view some of the fine work our students have produced. I have had the pleasure of reviewing many exemplary assignments from our students through the year and this summer we will be building a portion of our Website to showcase a variety of student projects.

All of this has been done with an enormous sense of energy and enthusiasm, making Trafalgar Castle School an exciting place to teach and learn. We should take great pride in our "reason to celebrate."

Mr. Briggs

The last five years of my life have been the most amazing! It is hard to limit all the memories to a few words. To all the friends I have made here, I will miss you all and hope you stay in touch. Julia and Miranda, I will never forget all the times we spent together... MMMHaa! Kim H. I thank you for all the late night talks, trips to Coffee Time and memories from the Go Train. I love you, keep in touch. Sara, I will never forget the memories shared with you. "Do you have the key? What key?!" Take care of yourself and I will miss you. Finally, to Kia, you have been my backbone throughout my five years here. Our friendship has grown to a bond that will never be broken. Take care next year and don't forget your best friend back home. Mr. Palmer, Mrs. Hughes-McGuinness and Ms. Harvey, I thank you for all your help. It really meant a lot. To my parents and my two sisters (Asha being the second), thanks for all your support and your belief in me. I love you! To those I missed, blame my mind, not my heart.

Amberlea Eisenhut

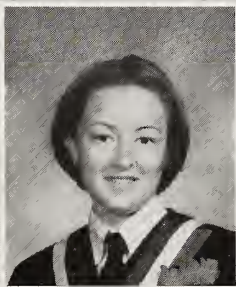

1994-2000

It's been six years of the best-worst-greatest-hardest-fastest-funniest-busiest-happiest times of my life. I emerge from Trafalgar Castle stronger in many aspects and bruised in others, but I emerge. There have been many great friends, many adventures, many shared triumphs and few defeats. Looking back I cannot imagine any better fostering for an education and a personality than the time I spent here at Trafalgar. It is the unwavering faith, the steadfast determination, and the selfless love and sacrifice of my parents that I hold in deepest regard. I owe everything that I am to the people in my life who have given so much. To my parents I owe my life, for sacrificing their comfort to make mine better. To my teachers, I owe my wisdom for teaching me, to my sister I owe my notes cause you'll need them, and to my friends I owe you my heart for all of the laughter and tears we have shared in our time here. With a sigh and an air of relief I lift my head high above the castle gates and await the future... "I chose the one less travelled, and it has made all the difference."

UNDER 14 BASKETBALL TEAM

BACK ROW (l-r): Erika Lodge, Jessica Brown, Marissa Van Dusen, Stephanie Bonnar, Ridhi Kukreja, Alex Webster.
FRONT ROW (l-r): Mr. McClure, Jacquelin McLaughlin, Lauren Brandon, Erica Wodzak, Adrienne Willson, Julia Taylor.

Trafalgar Castle's U-14 Basketball team, coached by Mr. McClure, was the most successful in recent memory. This group of 12 Trafalgar Warriors finished the regular season with a record of 5 wins and 2 losses (one loss was by 2 points). The season started with an exciting overtime win (30-28) over Haverhill, our arch rival. Through the regular schedule the team's most decisive victories were over York School (31-18) and Montcrest School (48-34). Trafalgar finished the regular season in second place in the east division and headed off to the semi-final playoffs. We won our first game against St. Clement's (33-28) and then played a fully rested B.S.S. team. This game came down to the final seconds with B.S.S. ending our season with a one-point victory! Over the course of the season our most valuable player was Jessica Brown. Throughout the season all members contributed to the team's outstanding success and were great sports and ambassadors for the school.

UNDER 16 BASKETBALL TEAM

BACK ROW (l-r): Jessica Near, Fatima Patel, Roopan Gill, Jennifer Holmes, Shaima Dhaheer, Amanda Webster.
FRONT ROW (l-r): Ms. Borovskis, Cerise Kourkoutis, Melanie Stone, Kitt Volmer, Sandra Nestic, Kim Sobryan, Mr. Chernak.

As the members of the team first came together to begin practising, each member brought certain talents and abilities with her but all players showed immense determination and dedication to being as successful as possible. These players developed individual position abilities but also learned to function highly as a team by the end of our season, losing to Ridley in the playoffs. Roopan Gill served as the captain of the team who lead the team in scoring with over half of all points won and as a source of inspiration to all teammates in a 3-3 season. Kitt Volmer, Melanie Stone and Amanda Webster became superior rebounders. Jessica Near, Cerise Kourkoutis, Fatima Patel, Kim Sobryan and Sandra Nestic served as guards who set plays and stole many balls with their quick hands. Special mention also goes to Jennifer Holmes who excelled at creating offensive opportunities and Shaima Dhaheer who could play any position. Coaches Ms. Borovskis and Mr. Chernak are grateful for and impressed with all members of the team for their efforts and enthusiasm. Great season ladies!

CROSS COUNTRY TEAM

Trafalgar's cross country team had a short but successful season. The team met three times a week for practices and the more than twenty participants suggests that the future of cross country running at Trafalgar is a bright one. Competing for Trafalgar's Junior team were five strong and dedicated runners: Jamie MacKay, Courtney Adams, Megan Aird, Meghan Lessard, and Jessica Daicos. The senior girls represented Trafalgar with style and team spirit as they tackled the notorious Mount Trinity, a grueling 600m hill on the challenging Trinity College course.

Congratulations to Lia Meraw, Alejandra De La Rocha, Lizeth Giacoman, Roopan Gill, Fatima Patel, Kia James and Sandra Arvizu on an excellent day of competition. The cross country team says goodbye to a very special runner and assistant coach, Kia James – may you always run towards new and exciting adventures.

BACK ROW (l-r): Fatima Patel, Liane James, Lia Meraw, Aimee McIntyre. MIDDLE ROW (l-r): Lizeth Giacoman, Roopan Gill, Alejandra De La Rocha, Courtney Adams, Ms Burns. FRONT ROW (l-r): Kia James, Jessica Daicos, Meghan Lessard, Jaime McKay, Megan Aird.

FIELD HOCKEY

Trafalgar's 1999 Field Hockey team had another terrific season this year. The team started out with a strong win against Havergal College at their only home game of the schedule. This was followed by a total of seven other league games that took the team on the road; east to Belleville and Port Hope, North to Lakefield and Bethany Hills and into the Toronto region as well. Many of the games were played under cold and wet conditions but the team never faltered and went on to finish fourth in the CISAA's East Division. Unfortunately this resulted in the team missing a play-off spot by one point!

It was a privilege for me to coach such a motivated group of very talented athletes. The games were great fun and the bus rides memorable. My thanks to all the team members for contributing to such a successful and enjoyable field hockey season!

BACK ROW (l-r): Jessica Daicos, Monika Weber, Jasmyn Gill, Milly Jeune, Abigail Oti-Yeboah, Jaime McKay. **MIDDLE ROW (l-r):** Brittany Hilton, Kristina Opashinov, Ana Poliacik. **FRONT ROW (l-r):** Sara Beatty, Julie Scanlan, Lesley McLelland, LaToya Howard, Kathryn Swailes, Stephanie Sciuk, Christine Matheson, Mrs. Hughes-McGuinness.

The junior soccer team, coached by Mrs. Hughes McGuinness, had a terrific season with 3 wins and 3 losses. The team worked very well together and grew tremendously throughout the short season. Christine Matheson and Heather Lennox played goal and were outstanding! Monika Weber, Katy Swailes and Jasmyn Gill were our goal scorers. Stephanie Sciuk, Ana Poliacik and LaToya Howard were our almost unpenetratable midfield line and we were wowed by Jaime McKay, Lindsay MacMillan and Milly Jeune who had never played organized soccer before!

Congratulations to our mighty "never give up" forwards Kristina, Julie, Jessica and Lesley; to that "last line of defense" Maddie, Brittany and Abi; and to the whole team on a job well done.

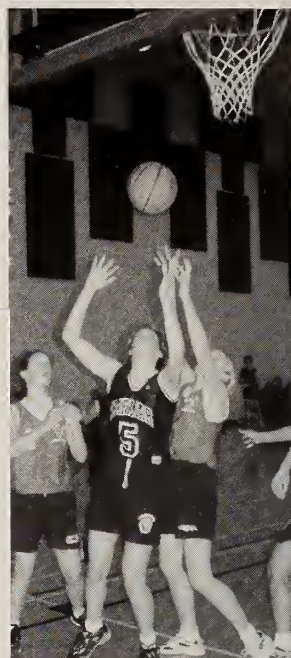

GO TEAM GO!

Now that's focus.

Oh No! It's coming!

Almost!

Mesmerizing isn't it?!

Watch where you are going, you might crash!

Don't give me that look!

UNDER 13 VOLLEYBALL

BACK ROW (l-r): Jaime McKay, Jennifer Hutton, Rebecca Tzalazidis, Megan Aird, Julianne Sobryan, Mrs. McKay. FRONT ROW (l-r): Christine Matheson, Jessica Brown, Erica Wodzak, Stephanie Sciuk.

The Under 13 volleyball team should be congratulated on a very successful season. The team was undefeated in its regular season games earning them a spot in the final playoffs held in Toronto. The team made it to the semi-finals and unfortunately lost out in a very close match resulting in a third place finish out of twelve schools. The offensive players consisting of Megan, Katie, Jennifer, Chris, Jaime, Julianne, Rebecca and Erica were always consistent in passing the ball up to our strong setters - Stephanie and Jessica. All of the players worked extremely hard throughout the season and their skills improved considerably due to consistent effort. The Most Valuable Player was awarded to Jessica Brown for her strong skills, enthusiasm and sportsmanship on the court. Congratulations Under 13's!

UNDER 14 VOLLEYBALL

BACK ROW (l-r): Ms. Robinson, Leah Gabriel, Kait Pavletich, Stephanie Bonnar, Abigail Oti-Yeboah. FRONT ROW (l-r): Erika Lodge, Jasmyn Gill, Sarah Shaw, Julia Taylor.

The Under 14 Volleyball team was made up of one grade seven, five grade eights, two grade nines and one grade ten. Many of the team members were first year players. With a short practice season and early games against more seasoned teams, Trafalgar got off to a slow, and potentially discouraging start. As the season progressed, however, the girls, through sheer spirit and determination, did not let their record get them down. They fought hard and improved their level of play immensely. Unfortunately, their early record hindered their chance for a play-off position but they ended the season as a competent, unified team. They even had fun in the process! Well done girls, see you next year!

UNDER 16 VOLLEYBALL

BACK ROW (l-r): Kim Sobryan, Sandra Nestic, Sarah Coles, Melanie Stone, Paige Peeters, Elsa Ng.
FRONT ROW (l-r): Jenn Hadfield, Jessica Near, Roopan Gill, Melanie Von Diergardt, Ms. Borovskis.

It all began several months ago,
Ten girls, a net and some talent to show.
We passed and ran and passed some more,
Suicides, wall drills - our legs were so sore.

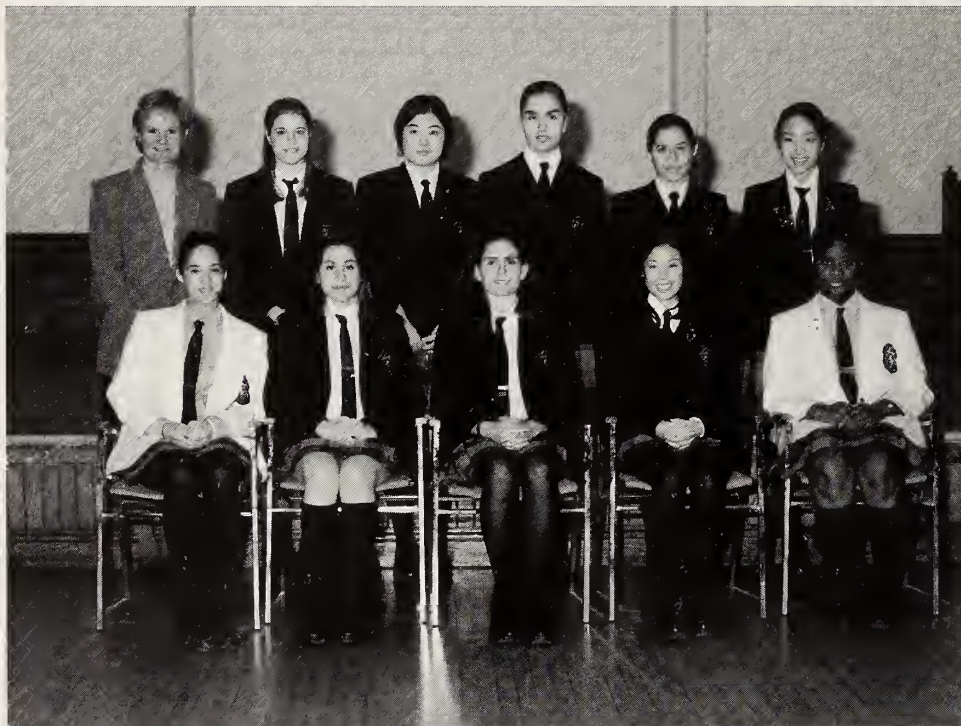

Jess, Mel, Jenn and Sarah in the middle,
Sometimes their actions were really a riddle.
The coach would yell, "Jump, Block or Free Ball"
Sometimes they would listen and others times - not at all.

Oh, those setters - you're tops in my heart.
Paige, Sandra or Elsa, "Who should I start?"
With feet so quickly and fingers so strong,
Their sets are so nice - what could possibly go wrong.

The rest are the hitters - Roopan, Sarah and Kim,
Their spikes would hit the walls, lights...all parts of the gym.
But they never gave up and chased every ball,
Broken halls, bruised knees, bent fingers and all.

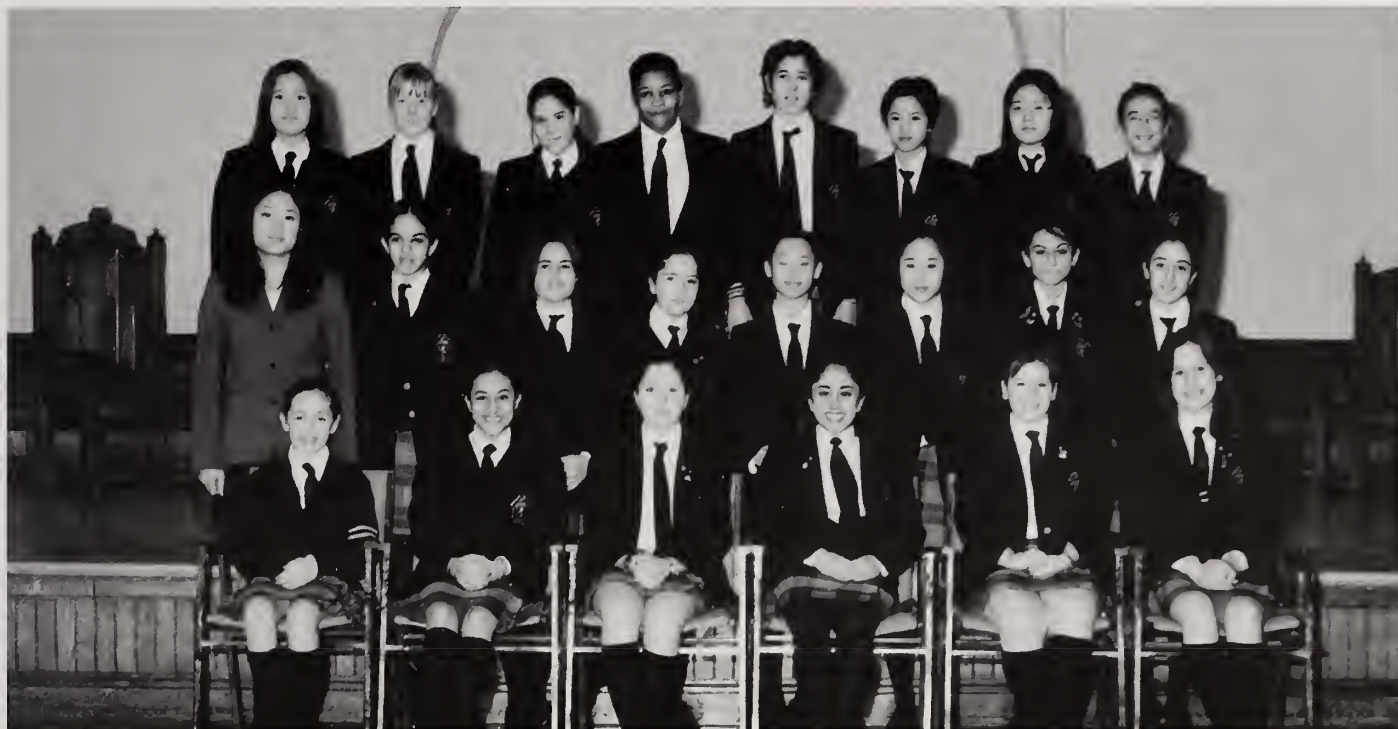

The season has ended, we've come a long way,
No more McDonalds for us at the end of the day.
One question remains asked by coaches and refs,
"What the heck does who let the dogs out mean?"

RHYTHMIC GYMNASTICS

This year's gymnastics team was an enthusiastic group of girls dedicated to early morning practices!!! Through hard work and determination every gymnast was able to develop a new skill. The girls' performances at the three gymnastics competitions throughout the season rewarded each girl with a top 6 finish in at least one event. At the first annual rhythmic competition held at Trafalgar on March 6, we came within 0.1 of an overall first place finish - We'll get them next year!!! Congratulations on a great season!

A teenage girl in an all girls' high school has a detention. She is trying to use her time to study for a history test, when she falls asleep and her history text book comes alive. With the use of a split stage, dreamy lighting and some imagination a character from almost every decade appears before Jade and explains just why her time period was most important to history, and especially to women. When Jade awakes she knows her history, but is left wondering if it really was just a dream...

UNDER 16 TENNIS

The Under 16 Tennis Team played several matches during our season and we had some very exciting games. Our most 'successful' team members were the duo of Betty Mateo and Adrienne Willson who won many of their sets. These included wins against Appleby, B.S.S., Holy Trinity and Rosseau Lake. Some of our team members also played single matches against girls from Appleby and Rosseau Lake and won their games. These players included Betty Mateo and Lauren Heenan. Other team members that won a match during the season included Jaime McKay & Kailan Ambrose; Lorenia Ureybay & Stephanie Sciuk; and Krisy MacMillan & Kelly Leung. The girls should be congratulated on their improvement over the season and on their sportsmanship on the tennis courts.

This year's edition of the Under 20 team is to be commended for its stellar efforts. Though the team ended the year with a record of 2-4, they played well and developed as a team. The finest game of the year was the last one of the season, a victory over Havergal College here at home by a score of 7-6. This result augurs well for next season as many of our younger players will be returning with the knowledge that they can win. Mr. Palmer would like to offer his thanks to Lisa Foresta for her many years of excellent play for the team and best wishes as she pursues her baseball career.

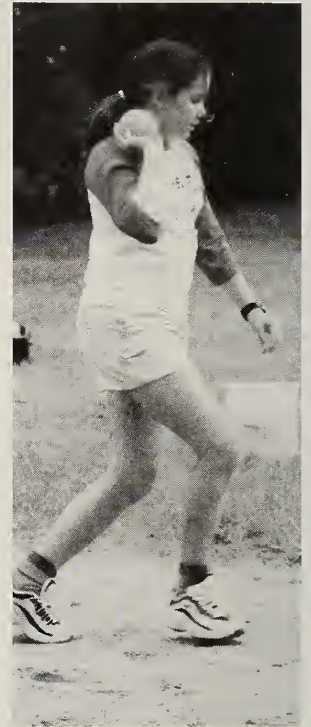

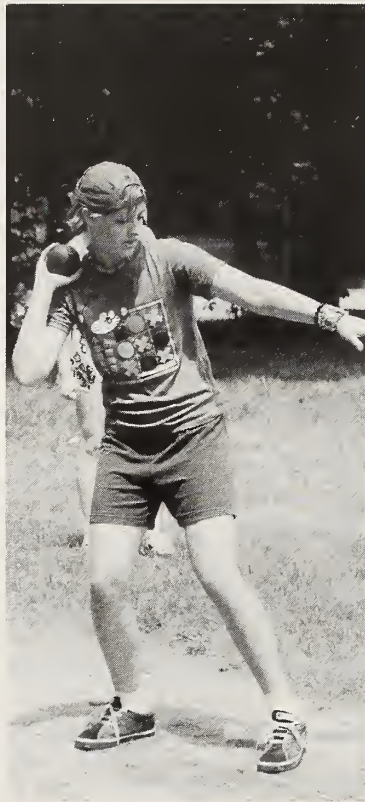

SENIOR ROWING TEAM

BACK ROW (l-r): Ms. Robinson, Christina Weber, Andrea McGivern. FRONT ROW (l-r): Jessica Near, Maddie Bushuk, Kitt Vollmer, Paige Ross, Courtney Adams.

What a dedicated "crew". Not many people would willingly get up before 5:00 each morning to row a boat. This year the girls showed up for practice ready to row, ready to improve their skill level. We managed to successfully compete in two regattas, including the Canadian Championships in St. Catharines - an experience that won't be easily forgotten. With the skills developed this year, next year is sure to be even more successful. Congratulations to Kitt for winning the MVP award - your sense of commitment and determination was appreciated.

VALEDICTORIAN - NICOLE D'ORNELLAS

Good morning Mr. Briggs, Board Members, Faculty, Friends, Fellow Students and the Graduating Class of 2000. How does one describe a school? To some, a school is just a building where students go to learn various subjects. For me, as for many of the girls you see seated before you today, Trafalgar Castle School has gone beyond the boundaries of a school and has become our second home. It is a place where friendships are born and memories are created. A place where young women are encouraged and molded into powerful and intelligent leaders ready to emerge from the safety of the Castle walls. For the past five years, I have awakened each morning, dressed myself in our blue on blue uniform and made my way towards the place which provided me with the skills needed for achieving my dreams for the future. Trafalgar Castle School enriches our lives on many levels, not only academically. It is here that we have the opportunity to learn more about a variety of cultures that surround us, while continuously learning more about ourselves. Self-esteem, self-confidence and self-reliance are just some of the qualities established in every student at Trafalgar. Our days at the Castle have given us friendships that will never be broken and shared memories that will bind us together long after we have moved on to university and beyond. Each of us will look back at our past and remember all the times we laughed, cried, learned and lived. As students, we have had an impact on each other's lives in ways that are indescribable. I look around me, at all the familiar faces and I feel pride for having had the opportunity to study, share and succeed with each of you. Here is where we are all sisters and on a daily basis have come together to support and encourage one another. A few weeks ago, I sat alone and thought about how much this school has changed since I first came here, yet how some things always seem to remain the same. There always seems to be that one group of girls who prowl the halls in search of the truth behind the endless ghost stories; there is the laughter and cheering heard during the creative and energetic air bands and finally, one could not forget, the continuous theme of 'girls just wanna have fun!' Long after we have left, the voices of friendship and the sounds of laughter will continue to echo through the halls. One thing, which I have learned here, is that it is not the building, but other attributes that make Trafalgar a place we all cherish.

I feel very privileged to have been given the opportunity to learn from such dedicated teachers. The immense knowledge you all possess and the abundance of compassion you all have for each student makes reaching personal and academic goals all the more attainable. Each of my teachers has constantly encouraged me to live up to my full potential. They have taught me that with perseverance, dedication and motivation, I can overcome any barriers that might stand in my way. They have taught us that if we believe in ourselves, then others will believe in us as well. The faculty is as much a part of our many memories as our friends are. After I leave here, I will never forget the ways in which each teacher always went the extra mile to bring out the best in every student. From teaching a class using different accents and encouraging the students to participate through laughter, to taking a small actress and turning her into a drama queen. For me, these are just some of the qualities which I feel encompass the true aspect of what teaching is all about. Our faculty continuously strives to ensure that every student has her own opportunity to shine and for this we all thank you.

I would like to take a moment to commend all of the parents seated here today for providing your daughter with the best education she could receive. Trafalgar Castle School is truly exceptional and each of you should feel proud your contribution has made your daughter's dreams come true. To my parents, you have blessed me with a quality education through sending me to this school. You both willingly made sacrifices in your lives in order to ensure I always got the best out of my life. I thank you for your unconditional love, support and encouragement throughout my high school career. To the students we leave behind, a simple message: always strive to be the best you possibly can. Make your education your top priority, for once you have it, no one can take it away from you. Continue to create your own memories and stories while you are here for they will remain with you always. You are seated in a building full of history, tradition, promise and opportunities, so take advantage of it. Treasure your time spent in the Castle, for it goes by far too quickly.

And finally fellow graduate, WE DID IT!! All our hard work has paid off and each of us can be proud of our accomplishments. Always remember that the only place where success comes before work is in the dictionary. You are truly a group of outstanding young women and I am so happy that I had the opportunity to grow with each of you. I believe that the type of person one becomes is in part due to the environment in which you develop. Each of you has helped to make me the confident person I am today. I know that most of you, including myself, are filled with the feeling of not knowing what the next few years will bring. However, I must say that this is the greatest feeling I have ever known. We might be scared, but we feel good; we might be nervous, yet we feel secure and we might feel lonely, yet we will never stand alone. We will always be able to return to the place we will forever call home.

So as I stand before you today, the last time I will attend Trafalgar Castle School as a student, with memories of grade nine still lingering in the back of my mind and all I can truly say is this has been the best five years of my life. Here I have met the most interesting people, made some of the strongest friendship, been inspired by some of the greatest teachers and have been ultimately changed by a school that strives to make a difference. So to the graduating class of two thousand, good luck in all your endeavours and I leave you with a poem written by Barbara Burrow:

If you can trust yourself though others doubt you
And conquer fears that limit what you dare
So you can then enrich the world about you
With skills and talents that are yours to share;
If you can balance dreams with practicality
And deal in facts but never lose ideals,
If you can face the harshness of reality
And find the truth that prejudices conceal;
If you can be courageous when defeated
And humble in the face of victory
Or give your best until a task's completed
However difficult that task may be
If you can be sincere when giving credit
And work at building bridges and not walls
Or strive to reach a prize until you get it
Yet never fail to help someone who falls;
If you can reach objectives, not begrudging
The patience, time and effort you impart
And look at other's actions without judging
And see not with your eyes but with you heart;
If you can take resources that surround you
And use them in the way you feel is good
You'll be successful...and all those around you
Will be richer for your womanhood

Thank you.
